INTRODUCTION

ABOUT ELEFANTE

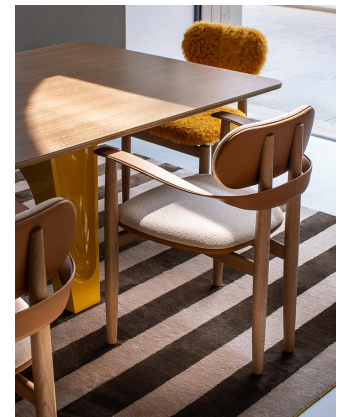

ELEFANTE specializes in high-quality furniture (standard and custom-made), and is committed to providing customers with high-quality furniture that combines design and practicality. It has a history of high-end customization for over a decade.

Located in Houjie Town, Dongguan City, Guangdong Province, our furniture production facility spans over 10,000 square meters. Our team currently boasts over 100 professionals across design, R&D, and manufacturing. Through years of experience and technical expertise, we have established long-term partnerships with hundreds of design companies and furniture retailers both domestically and internationally.

FACTORY PHOTO

The factory covers an area of 10,000 square meters, including a woodworking workshop, a hardware workshop, a paint workshop, and a soft-cover workshop. The factory has many years of experience in high-end furniture production, including sample craftsmen, woodworking, painting, and soft-cover masters.

PRODUCT DESIGN

Elefante Furniture has a stable team with many years of experience in product design. The company purchases a large amount of imported furniture for disassembly research and systematic learning, continuously improving its design standards and material technology, and applying them in product production.
